### **Declaration of knowledge and respect of safety rules and regulations for the activities of the SUP**

I declare that:

- I have received the documentation "Safety rules for activities with the SUP" from the USI sport service, and that I will do my best to respect these rules and regulations during each use of the equipment provided by the sports service.
- To have been informed that it is my responsibility to check the suitability of my insurance coverage in Swiss territory and abroad and assume all responsibility in case of injury to myself or injury caused to other people.
- To take responsibility in case of damage to material of USI or those belonging to other people.
