
Personal Data Processing Notice for USI Sport Users

1. Introduction

The purpose of this notice is to provide information on the processing of personal data carried out by the USI Sport Service as part of its activities to promote personal well-being and to promote experiences of social and cultural value.

Based on the existing service contract between SUPSI and USI, this notice also extends to SUPSI students, employees, alumni and members who decide to make use of the USI Sport Service.

2. Data Controller

This notice is provided by USI-Università della Svizzera italiana, Italiana with registered office in Via Buffi 13, 6900 Lugano, Svizzera, as Data Controller.

The Data Controller can be contacted by writing to the registered office address, calling +41 58 666 40 00 or sending an email to: info@usi.ch.

The dedicated data protection team can be contacted directly at: privacy@usi.ch.

For the management of the services offered by USI Sport, USI uses MyWellness platform by Technogym, which is the Autonomous Data Controller according to the purposes described in the [Technogym Privacy Policy](#) (external link).

If the user, in order to obtain a personalised experience, decides to share and/or transmit additional personal data (e.g. photos, data related to the user's workouts, data related to health, geolocation, ...) using the tools made available by Technogym (e.g application of the smartphone, badge reader, ...), such data will be managed by Technogym, but they will be accessible by USI Spot operators within the scope of the offered services, who will process them in accordance with the principles of the rules applicable to USI activity.

3. Purpose of processing, legal basis, type of personal data and retention period

The provision of personal data is mandatory in order to establish the association with USI Sport; such provision is a necessary requirement and its absence implies the impossibility of using the related services.

Purpose of processing	Legal basis	Type of personal data	Retention period
Data transfer to Technogym for MyWellness account creation and verification of any existing account for the same user within the platform	Service delivery to the user	Personal details: first name, last name, date of birth, gender, email, user's university card number, user type (e.g. student, staff, ...)	Data related to students will be retained within the information system considering the obligation of storage required by the current regulations (for the data retention period of Technogym, please refer to

Daily verification of the user status	Contractual obligation with the service provider	User's university card number and status (active or inactive)	<p><u>the Technogym Privacy Policy</u>).</p> <p>Data related to the staff will be retained within the information system for the period of the contract and, thereafter, in compliance with retention obligation for tax purposes or for other purposes requested by legal regulations.</p> <p>Regarding the retention period set by Technogym, please refer to the <u>Technogym Privacy Policy</u>).</p>
Management of enrollments to Gym and courses, gadget and clothing purchase, classes and specific events organized by the service	Service delivery to the user	<p>Personal details (first name, surname, date of birth, gender, email)</p> <p>Weight, height</p>	<p>The cancellation of the Technogym account can be requested at any time.</p> <p>Regarding the retention period established by Technogym, please refer to the <u>Technogym Privacy Policy</u>).</p>
Management of payments made by the user	Service delivery to the user	Name, surname, outcome of the transaction	<p>To enable the purchase of USI Sport products/services through the MyWellness platform, USI uses Stripe online payment platform.</p> <p>Regarding the data collected, its purpose and the respective retention period established by Stripe, please refer to the <u>Stripe privacy policy</u>.</p>
Consultation of data collected through MyWellness by USI Sport employees	Service delivery to the user	<p>Data related to physical characteristics, including weight, height, and other body measurements, collected directly from the user or through other connected devices, such as sensors installed on Technogym equipment or through connected personal scales;</p> <p>Workout performance data provided by the user or generated through the Platform (time, duration, distance, location, calorie and step counts);</p> <p>survey about personal goals and interests</p>	<p>The cancellation of the Technogym account can be requested at any time in the manner outlined in the respective Technogym Privacy Policy.</p> <p>Restrictions on access by USI Sport employees can be requested by writing to <u>privacy@usi.ch</u>.</p>

Data needed to rescript access to USI Sport contributor(s)			
Informational communications to all members of the university community about activities offered by the USI Sport Service	Consent	Mail	Communication made through the MyWellness application, users can immediately revoke their consent in the related section of the MyWellness account
Newsletter to all members of the University community about the activities offered by USI Sport Service	Consent	Mail	Users can immediately revoke their consent by clicking on the appropriate "Unsubscribe" button within the newsletter

For all processing purposes carried out by Technogym, please refer to the Technogym Privacy Policy ([external link](#)).

4. Recipients to whom personal data are disclosed

In order to guarantee the services already mentioned and in compliance with the relative purposes, USI will transmit the data to Technogym S.p.A., with registered office in via Calcinaro, 2861 -47521 Cesena (FC), Italy, which will process them as Data Processor and, alternatively, as Autonomous Data Controller; the information indicated in the relative [Technogym Privacy Policy](#) ([external link](#)) applies.

Regarding the handling of payments, USI Sport entrusts the operation to the Stripe online payment platform. For further information about data processing carried out by Stripe please refer to the Stripe privacy policy.

5. Data Subject rights

Each data subject may exercise, in particular:

- Right of access: to request from the data controller whether personal data concerning him or her are being processed. If a processing operation is in progress, the data subject may obtain access to the personal data processed;
- Right to portability: to require that personal data concerning him or her that he or she has communicated to the data controller be delivered to him or her in a customary electronic format;
- Right to rectification: to demand that personal data concerning him or her, if they are inaccurate or incomplete, be properly amended;
- Right to erasure: to demand that personal data concerning him or her be immediately erased (unless such erasure in any way contravenes applicable law);

- Right to restriction of processing: to demand the restriction of processing by the data controller;
- Right to withdraw consent: to withdraw consent to the processing of personal data for one or more purposes. Such revocation will not affect the processing carried out up to that point but will take effect from the time of revocation of the consent;
- Right to destruction: to demand that personal data concerning him or her be destroyed

The exercise of the data subject's rights is, as a rule, free of charge, unless the burden is disproportionate.

Exercise may be restricted or refused only when overriding public or private interests so require.

To exercise the above rights, data subjects may write an email to privacy@usi.ch
